## INSPIRED STYLE - ENVIABLE LOCALE

Defined by modern architecture, chic design and an enviable locale the ultimate lifestyle awaits with this prestige home. Irresistible interior dimensions, inspired style and peerless attention to detail create the perfect environment that invites both relaxed living and lavish entertaining, indoors and out.

Purposefully designed over two levels with separation of living and accommodation areas, further complemented by a resort style entertaining. The floor plan flows from one inviting space to another combining generous open plan living dining kitchen, expansive bedrooms and a cinema room to deliver the essence of contemporary, modern living.

A luxurious cinema room sits at the front on the home, private and separated for comfort and convenience while the central hub of the home lies beyond the pocket door, where you will find the kitchen, living and dining that seamlessly extends outdoors to create the perf
